EDWIN E. WHEECE
CROSSES THE DIVIDE

OLD RESIDENT OF TONOPAH
DIES ON COAST OF CANCER
OF STOMACH

The sad news has been received of the death of Edwin E. Wheece, formerly of this city, which took place at Oakland at 7 o'clock Sunday morning. Mr. Wheece was an old resident of Nevada, coming to Delamar in the early days, where he engaged in the livery business.

In 1902 he came to Tonopah and opened a hardware store on lower main street. He prospered in business and later opened a grain, hay and fuel depot. A few months ago old age caused him to dispose of his business to Miller & Dudley and cancer of the stomach also developed. He went to the coast to seek a return of health and vigor, but he gradually failed until death claimed him. His son, Ed. Wheece, Jr., of this city, was at his bedside when the call came. The deceased was a man of strict business integrity and made many friends here during his many years of residence.

WILL ENLARGE CREAMERY

The directors of the Minden Butter Manufacturing company held a meeting last Saturday and took up the matter of enlarging the building and installing new machinery to care for the growth of that institution. It was decided to carry the needed improvements to completion at an early date. This work will be done with economy as the watchword, and as little expense as possible, says the Gardnerville Courier.

MEN COMPLAIN THEY CANNOT GET WAGES

Complaint was made to Labor Commissioner W. E. Wallace some time ago by a number of workmen employed by the Arthur Zinc company at Ruby Wells in Elko county, about twenty-five miles from Elko, that they are unable to obtain wages due them. About seventeen of the men quit and the works are closed down. The men claim they have not been paid for the months of September and October and up to and including November 10, having about \$225 coming to each of them, making a total of about \$3,825.

ADVERTISED LETTER LIST

List of advertised letters remaining at the Tonopah postoffice for the week ending November 26, 1915. When calling for these letters please state that they are advertised. A fee of 1 cent will be charged for the following:

Coffee

Coffee may be good at the roaster and poor in your coffee-cup. It may be cheap by the pound and high-priced by the cup.

Cheap coffee can't be protected against loss of flavor. It is only such coffee as Schilling's Best that gets the absolute protection of airtight tins.

All the fine flavor is preserved for you. This means more cups to a pound—economy and quality.

Schilling's
Best

SOLD \$40,000 RANCH

The Firebaugh people have disposed of their ranch on Old River to Vensill and Thompson from the Imperial Valley. This splendid ranch was formerly owned by C. E. Mills and consists of about 600 acres. The sale also included 175 head of stock, and it is understood the consideration was \$40,000.—Fallon Gazette.

ORE AT SPRING CANYON

Eighteen miles southwest of Wendover, Elko county, Joseph Conley and

J. F. Jensen have opened up a fissure vein showing two feet of shipping ore at the Spring Canyon mine, according to A. G. Buritt, who has recently returned from making an examination of the property and is engaged in getting out a report and in making maps of the property.—Elko Independent.

DIES ON THE COAST

James D. Raine, a prominent and wealthy rancher of Star valley, Elko county, died in San Francisco following an operation for stomach trouble. Mr. Raine was a pioneer of Nevada.

TO WORK OLD PROPERTY

H. C. Tupper and associates of Glendale, Cal., have secured a bond and lease on the old Pierson mines situated on the eastern slope of the Schell creek range, about 68 miles from Ely by wagon road. This property was worked extensively in early days and has a record of production. It is said of several hundred thousand dollars. Some years ago the property came into the possession of Millick brothers and George Newman, who later organized the Kohnhor Mining company of Portland, Ore., which did a small amount of development work but later ceased operations.—Ely Record.

A combination ladder, step ladder and staging has been invented mainly to aid in picking fruit.
